

## **METRICS**

The parties that are entering into the Partnering Agreement have identified methods by which they will attempt to measure the impact Partnering has on contract performance.

<b>Requirement</b>	<b>Measurement</b>
1. Provides timely issue and turn-in of OCIE.	Stays within minimum standards for delivery of products and services.
2. Effective Contract Management & Administrative processes	Blue Ribbon Criteria
3. Develops and implements performance initiatives geared toward continuous process improvements	Initiatives show positive trends relative to customer satisfaction, return on investment, or value added performance
